

# OAK RIDGE SPORTS BOOSTERS CLUB

Complementing the Oak Ridge academic program by supporting the pursuit of athletic excellence!

1120 Harvard Way, El Dorado Hills CA 95762 (916) 933-6980

## ***RE: Sports Booster Membership***

*Dear Oak Ridge Sports Boosters, Friends, and Fans:*

As a parent organization, Sports Boosters believes the high school experience is important to preparing young teens for adulthood, providing life lessons in being responsible contributing members of the community, being team players, and for future success in college. Sports Boosters is charged to support the Oak Ridge Athletic Program through fundraising and team parent involvement, complementing the Oak Ridge academic program through the pursuit of athletic excellence. Last year, the Oak Ridge Athletic Department processed over 1,200 athletic application packages.

Parents from all 21 Oak Ridge athletic teams participate in Sports Boosters. Reductions in district funding for athletics have resulted in an increased need for direct parent support through Sports Boosters. Thanks to the help of generous supporters like you, The Sports Booster Membership Program raised \$30,000 last year, which was redistributed back to the individual teams over and above individual team fundraising. Teams use these monies to help supplement stipends for quality coaching, purchase uniforms, equipment, and other miscellaneous expenses. There are three donation options: \$25 single sport membership, \$50 two sport membership, or \$100 Gold Card membership that is also recognized by the administration for complimentary admission into all home regular season sporting events for your immediate family.

Sports Boosters also subsidizes an after school weight training program, and the Trojan Sports Trainer and Therapy Program run by El Dorado Physical Therapy.

Our goal is to raise \$45,000 through Booster Memberships. Please renew/support Booster Membership through a \$25, \$50, or \$100 donation (check or credit card).

Please return the attached form to the Administration Office with your tax deductible donation today. Your donation will be placed in the Sports Boosters mailbox at school.
