1. Welcome –Kari Rivera

- Our general meeting start time was moved to 8pm so members could attend meeting with Mr. Palm that discussed balancing student's lives.
- No Athletic update.
- No Sports Marketing update.
- Patty Doshier gave an update on Membership. 6 teams have reached maximum matching funds for the sale of Blue & Gold cards. There are 381 members, about the same as last year.

- Minutes of General Meeting dated October 16, 2017 were approved by motion by Krista Crookham and seconded by Sally Brandon.

2. **Blue and Gold Event Update-**

Drew Sarner-The name of the event is “Blue& Gold Field Day”, which will be held on Saturday, May 5, 2018. It will be a community event, located on Oak Ridge football field and track. Our 23 sport teams will have their own tent that will have a coach and athletes of the respective sport working their tent. Each tent will have a raffle prize provide by the sport. Raffle tickets will be sold to raise money. Also, each sport will come up with fun actives and games that are related to their sport.

Additionally, there will be food trucks that will be another source of income. There will be live entertainment, and live streaming of the event.

There is a need of volunteers. The committee has had 6-7 meetings to date.

There was a decision not to have a 5-K run because once it was researched, it was discovered it would not be profitable. The CHP required a 4 hour minimum. Drew said he would do more research to see if a run could happen with a different course not require closing streets, etc.

There was a discussion of a 3 legged race.

Next meeting for the Blue& Gold Committee is January 31, 2018.
